

EU Declaration of Conformity

(In accordance with ISO/IEC 17050-1 and ISO/IEC 17050-2)

This is to certify that the product listed below, which was designed and manufactured by:

Watlow Electric Manufacturing Company

12001 Lackland Rd.
St. Louis, MO 63146 USA

meets the essential safety requirements of the European Union, when properly installed, maintained, and operated in the application for which it was designed.

A Technical Documentation File is also available for review by competent authorities and will be maintained for a period of ten years after the date on which the product was last manufactured. In addition to this Technical File, one can find design, safety, installation, maintenance, and application related information about this product in the documentation that was shipped with it or on www.watlow.com.

This declaration of conformity is issued under the sole responsibility of the manufacturer for the product listed below.

Product Name: Cable Heater
Watlow Part Number: 125PS38A23A-562
Product Description: Electric Resistive Heater

We, as the manufacturer, hereby declare that the product described above are in conformity with the applicable requirements in accordance with the following European Directives:

Applicable Directives:
2014/35/EU (Low Voltage Directive)
2011/65/EU as amended by EU 2015/863 (RoHS Directives)

Any questions relating to this declaration or the conformity of the product(s) covered by this declaration should be directed, in writing, to either the European or Company Authorized Representative noted on this declaration.

The object of the declarations described above is in conformity with the relevant Union harmonization legislation:

Applicable Standards:

Safety: **BS EN 60335-1:2012+A11:2014** - Safety of household and similar electrical appliances
