## Camp Preference – Please Print Clear and Legibly

Select **at least three** that you are interested in attending due to limited availability at some camps. Watlow has pre-screened several camps, however write-ins will be accepted as each student may find more suitable options that are not included on our list. Each write-in will be reviewed by the selection committee to ensure it meets the specified camp criteria.

## Essay Requirement

Please submit a 300-500 word essay explaining: (1) Why you would like to attend an engineering/technology summer camp, (2) What personal experiences have stimulated your interest in learning more about engineering or technology? (3) Any other background, interests, or any other related reasons you should be considered for this scholarship award.

Your essay may be either typed or legibly handwritten, but it must be written by you and submitted with this application form by the deadline.

## Optional - Attach a letter of recommendation from a teacher or other adult who is a role model for you (not a parent).
